

COVID-19 Symptom Screening

Parents should check their children every morning before going to school.

In the last 24 hours, has your child had any of these symptoms, new or different from what they usually have?

- Fever of 100° or higher/chills
- Cough
- Shortness of breath or difficulty breathing (not due to allergies or asthma)
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

Has your child been exposed to anyone with COVID-19 in the past 10 days?

Has anyone in your household tested positive for COVID-19 in the past 10 days?

Students who answered yes to any of the questions above should stay at home and notify their school.
