## **DID YOU KNOW? INTERESTING FACTS ABOUT YOUR REEP EMPLOYEE BENEFITS**

**Did you know Delta Dental has an online *Cost Estimator* feature?**

**Use this tool to plan for your next appointment and choose the best provider for you!**

**What are the capabilities of this resource and why should I be interested?**

- Delta Dental's ***Cost Estimator*** tool allows members to obtain a personalized estimate of their next dental visit costs
- The member can access the Delta Dental ***Cost Estimator*** by logging on to their account on the Delta Dental website – [www.deltadentalins.com](http://www.deltadentalins.com) and clicking on the ***Cost Estimator*** link by their name (members who do not have a login will need to register)
- The member will be guided through the process by answering questions and adding services from the full list of procedures
- If a procedure is not listed, scroll to the bottom of the page and click on the link to access a more comprehensive list
- The tool will default to the dentist most recently visited by the member, but members can change their dentist or choose to select up to five dentists to compare potential costs and savings
- The benefits sidebar shows members a current benefits balance of their deductibles and maximums, if applicable
- Members can click on "Explain cost details" to see a full breakdown of fees and how their estimate was calculated
