## 2021 School Accountability Report Card

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at [www.cde.ca.gov/ta/ac/sa/](http://www.cde.ca.gov/ta/ac/sa/)

For more information about the LCFF or the LCAP, see the CDE LCFF web page at [www.cde.ca.gov/fg/aa/lc/](http://www.cde.ca.gov/fg/aa/lc/)

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at [dq.cde.ca.gov/dataquest/](http://dq.cde.ca.gov/dataquest/) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) [www.caschooldashboard.org/](http://www.caschooldashboard.org/) reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2021-22 School Overview

Palms Elementary School is one of eight elementary schools in the Perris Elementary School District. The school is on a modified-traditional schedule and serves Transitional Kindergarten through 6th-grade students from diverse cultural and socio-economic backgrounds. The current enrollment for the 2021 – 2022 school year is approximately 715 students, comprised of 12% African American, 2% white, and 83% Hispanic. Our school serves 40% English Learners and 79% socioeconomically disadvantaged families.

The 2021-2022 school year continues to provide students with 1:1 devices for grades TK – 6th. Funding has been allocated over recent years for technology. Palms Elementary School is an AVID Elementary School, implementing AVID strategies in the areas of math and language arts. We provide a rigorous curriculum, guided by the California Standards, in the areas of language arts, math, PE, Art, and English Language Development.

Palms Elementary works together with the School Site Council and ELAC to develop the School Plan for Student Achievement. Data, both CAASPP and district assessments, are used to drive the decisions made to develop goals. Goals have been created in the areas of English Language Arts, math, and the increasing achievement of our English Learners. Another goal is to create a safe and welcoming environment for staff, students, and parents. Progress is monitored each year through parent surveys, district assessments, and state assessments.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

## 2020-21 Teacher Preparation and Placement

<b>Total Teaching Positions</b>	33.8	100.0	263.3	100.0	274759.1	100.0

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2020-21 Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21
<b>Permits and Waivers</b>	0.0
<b>Misassignments</b>	0.0

<b>No credential, permit or authorization to teach</b> (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0.0

## 2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

The Williams Act legislation requires that there be sufficient textbooks and instructional materials for each student, including English learners, to use in class and to take home. Below is information detailing the names of the textbooks used in our core classes; their dates of publication; the names of the firms that published them; and textbook sufficiency information.

## School Facility Conditions and Planned Improvements

Our school was built in 1994. In addition to our 38 regular classrooms, we have four classrooms maintained by Riverside County for special needs students, further broadening our opportunities to serve a diverse student population. We also have one special education classroom, a 600-seat multipurpose room with a stage that also serves as an outdoor amphitheater, a kitchen, a 2,200-square-foot media center, an upstairs performance arena, and eight designated student services office centers.

More facts about the condition of our school buildings are available in an online supplement to this report called for by the Williams legislation of 2004. What you will find is an assessment of more than a dozen aspects of our buildings: their structural integrity, electrical systems, heating and ventilation systems, and more. The purpose of this assessment is to determine if our buildings and grounds are safe and in good repair. If anything needs to be repaired, this assessment identifies it and targets a date by which we commit to making those repairs. The guidelines for this assessment were written by the Office of Public School Construction (OPSC) and were brought about by the Williams legislation. You can look at the six-page Facilities Inspection Tool used for the assessment on the Web site of the OPSC.

Our district routinely sends experts from our facilities team to assess the condition of our facilities. The team uses a survey, called the Facilities Inspection Tool, which is issued by the Office of Public School Construction. Based on the survey information, we are required to correct any deficiencies. Please note that the information seen in this report reflects the condition of our buildings at the time of the inspection, and since that time, the conditions may have changed.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

#### Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21
<b>English Language Arts/Literacy</b> (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A
<b>Mathematics</b> (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A

## 2020-21 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment. The CDE will populate this table for schools in cases where the school administered the CAASPP assessment. In cases where the school administered a local assessment instead of CAASPP, the CDE will populate this table with "NT" values, meaning this school did not test students using the CAASPP. See the local assessment(s) table for more information.

## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

## 2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

Grade 9	N/A	N/A	N/A

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2021-22 Opportunities for Parental Involvement

At Palms, we believe there is a direct correlation between student achievement and parent involvement; therefore, it is our desire to build a strong school and community partnership. Palms Elementary School encourages parental and community involvement and provides a wide variety of participation activities. Opportunities for Parental Involvement include the following (contact Palms Elementary at 951-940-5112):

Family Nights: an opportunity for parents to learn strategies to reinforce skills at home  
Math Night- Grade level games and skills are shared with parents to take home and practice with students.  
Science Night- Parents are taken through the Scientific method to support students with their Science projects.  
Reading Night- Grade level games and skills are shared with parents to take home and practice with students.

##### Additional Opportunities:

Back to School Night- At the beginning of the year to get to know the grade-level expectations.  
Open House- A time for parents to visit and see student work.  
PAWS and Read-Parents come in to read with students.

##### Committees:

SSC- Parent group who makes decisions about the School Plan for Student Achievement.  
ELAC- Parent group that works to be informed about ELs and advise the SSC.  
FIAT- Parent group working to develop ideas to increase student achievement.

##### Parent Trainings:

Lexia & Dreambox training: Training for TK-6th grade parents to provide support with ensuring their student accesses the program.  
Phonics & Fluency- Training for TK-2nd grade parents to provide strategies to help students at home in the area of Phonics.  
AVID Elementary- Training to share the AVID philosophy and expectations for AVID Elementary at Palms.  
PBIS for Parents- Training to make the home- school connection on PBIS expectations.

##### Other:

Red Ribbon Week-Families invited to participate in a Drug-Free Poster Contest  
Read Across America Week- Community is invited to read to students.  
College and Career Day- Community members are invited to share information about colleges and careers to students.  
English classes for parents- English classes are provided to parent volunteers.

#### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

## Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21
<b>Suspensions</b>	2.45	0.00	2.07	0.02	3.47	0.20
<b>Expulsions</b>	0.00	0.00	0.00	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

## 2021-22 School Safety Plan

Safety is an important focus at Palms Elementary School. Our policies ensure a safe and secure campus. Playground supervisors monitor student activities and enforce school rules. We maintain a closed campus. We welcome parents and guardians on campus and require all visitors to sign in at the office through the Raptor process and wear a visitor's badge before gaining access to the campus.

Palms Elementary has a safety plan that is updated annually by the site emergency preparedness committee. The School Site Council also reviews the plan annually. Staff members are instructed on the essential components. All students and staff practice monthly fire, earthquake, or lockdown drills. This includes duck and cover and evacuation drills, along with lockdown procedures. We practice our complete school-wide disaster plan twice-annually, the last being on 10-21-21. We maintain an accessible storage unit on campus with the supplies necessary for an emergency. In the event of a true emergency, our site utilizes the Blackboard Connect-Ed system to notify parents.

Palms Elementary has video surveillance cameras across our campus as a deterrent to trespassers, vandalism, and other illegal activities. They also help administrators and local law enforcement with the investigation of any crimes that occur on campus after school hours, making our school safer and more secure.

Percent Difference - School Site and State	N/A	N/A	-10.3	14.6

## 2020-21 Types of Services Funded

Our students receive a block of PE time and Art time once a week. During this time the classroom teacher releases her students to the Art or PE teacher and collaborates with their grade-level team to plan for first best instruction in the area of ELA or math. The teachers plan, making decisions on Universal Design and AVID strategies to implement into their daily instruction.

- Bilingual instructional aides support students in their primary language. The aides work with teachers and students in the classrooms that have ELs with the highest need. The goal is to provide support to our ELs throughout the day across content areas. Our aides have received training on Step Up to Writing, phonics, Close Reading, High Leverage Instructional Strategies, and the Universal Design Strategies. The classroom teachers identify the lowest domain of students and plan lessons for the aides to work on with students to support the lessons that teachers have taught to the whole group.
- The Academic Coach is a certificated teacher who plans lessons and trainings to support our teachers. She works with teachers to plan lessons and does demonstration and co-teaching lessons. After the lesson she debriefs with teachers to discuss strategies that were effective and how they can be used throughout the teacher's lessons. She follows-up on district trainings and provides additional trainings for teachers.
- The Intervention Teacher provides intervention with the Read180 program. The teacher services students in grades 3rd-6th who are two or more grade levels behind. There is a set criterion for students to enter and exit the program.

\* School Counselor and Social Worker Interns work with students on social skills in small groups. The Counselor and Intern may meet with students on an individual basis, with parent consent, to learn social skills, work through grief, or other important situations. The Counselor is on campus daily and the Intern is on-site twice a week. They meet with students regularly to help students learn skills necessary to be successful in school.

\* AVID Elementary is implemented and AVID strategies are in place in all classrooms TK-6th grade. The area of focus is math and language arts, the use of note-taking and WICOR strategies are in place so students are college and career ready.

\* THINK Together is a free expanded learning program provided on-site. THINK Together services students from Kindergarten through 6th grade. It is offered from after school until 6:00pm each day that school is in session.

## 2019-20 Teacher and Administrative Salaries

## Professional Development

Student data is reviewed regularly to monitor student achievement, set goals, and identify focus areas for professional development opportunities for teachers and support staff. Once the areas of need have been identified, our teachers and staff have the opportunity to participate in a variety of workshops, conferences, and other professional development opportunities through both district training and site-based training. In addition to district and site-based training, our teachers also have the opportunity to receive grade-level support, and/or individual support from our academic coach.

The following are various Professional Development opportunities at Palms Elementary.

1) Instructional Focus Area: Direct Instruction, PLC, AVID, Capturing Kids Hearts

Training/Meeting/Feedback Date: 1. 8.9.21, 8.10.21, 10.8.21, 10.14.21, 1.11.22

Description of Training/Evidence: Staff training and meetings are implemented in the classroom and observed by the administration through walkthroughs.

2) Instructional Focus Area: Direct Instruction, PLC, AVID, Capturing Kids Hearts

Training/Meeting/Feedback Date: Daily

Description of Training/Evidence: Feedback: The administrators will analyze patterns of implementation of district priorities and Palms focus areas through the core and leveled instruction and ELD during daily walkthroughs.

3) Instructional Focus Area: Direct Instruction, PLC, AVID, Capturing Kids Hearts

Training/Meeting/Feedback Date: Weekly

Description of Training/Evidence: The Weekly Newsletter to Staff highlights the instructional focus areas, AVID, and Capturing Kids Hearts.

4) Instructional Focus Area: Direct Instruction, PLC, AVID, Capturing Kids Hearts

Training/Meeting/Feedback Date: Ongoing Meetings

Description of Training/Evidence: Grade Levels Meetings with Administration to discuss/plan for District assessments, Short Cycle Assessment data focused on the percent of students Meeting Standards and next steps taken using our instructional focus areas through daily instruction.

## 2020-21 Local Accountability Report Card (LARC) Addendum

### Local Accountability Report Card (LARC) Addendum

#### 2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
