## 2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2023-24 School Description and Mission Statement

Clearwater Elementary STEAM is one of eight elementary schools in the Perris Elementary School District. Clearwater Elementary STEAM opened in the fall of 2016. 2023-2024 is our eighth year open as a Kindergarten through 6th-grade school. Clearwater's mission, developed through a collaborative process with Clearwater staff and administration is to:

Provide students with engaging and innovative opportunities to learn and develop as contributing members of a global society.

We will do this by:

- \* Fostering a passion for learning and curiosity through student-centered instruction
- \* Encouraging creativity, collaboration, communication, critical thinking and citizenship
- \* Providing experiences that develop and nurture a global awareness

Our vision is to promote educational excellence through high-quality 21st-century learning which will inspire and engage students to develop their passion for learning and contribute to an advancing global society.

Clearwater's School Motto

Students are leaders  
That inspire,  
Encourage others, and  
Aim for their highest potential to  
Master a digital and global world

In order to reach our mission, Clearwater Elementary STEAM's rigorous instructional program focuses on Science, Technology, Engineering, Art and Math integrated across subject matter. Students engage in 21st Century learning where students learn through collaboration, communication, critical thinking, and creativity. Clearwater is an AVID Elementary School where we focus on having students equipped with college/career readiness skills such as organization, writing, inquiry, and collaboration. All classes in grades K-6 take AVID 3-column notes, have organizational tools, and participate in collaborative groups. Our staff at Clearwater have established high expectations for ourselves and our students, both academically and socially. We regularly monitor data such as; CAASPP, Interim Assessment Blocks, Screeners, and grade-level common assessments to ensure students are reaching academic success. We are committed to ensuring that all of our students engage in high levels of learning, leading them to mastery of California State Standards while supporting students and intervening timely both academically and social-emotionally.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2021-22 Teacher Preparation and Placement

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

### Class Assignments

Indicator	2020-21	2021-22
<b>Misassignments for English Learners</b> (a percentage of all the classes with English learners taught by teachers that are misassigned)	0.00	0.00
<b>No credential, permit or authorization to teach</b> (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0.00	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

### 2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

The Williams Act legislation requires that there should be sufficient textbooks and instructional materials for each student, including English learners, to use in class and to take home. Below is information detailing the names of the textbooks used in our core classes; their dates of publication; the names of the firms that published them; and textbook sufficiency information.

## School Facility Conditions and Planned Improvements

Clearwater Elementary opened in 2016. More facts about the condition of our school buildings are available in an online supplement to this report called for by the Williams legislation of 2004. What you will find is an assessment of more than a dozen aspects of our buildings: their structural integrity, electrical systems, heating and ventilation systems, and more. The important purpose of this assessment is to determine if our buildings and grounds are safe and in good repair. If anything needs to be repaired, this assessment identifies it and targets a date by which we commit to make those repairs. The guidelines for this assessment were written by the Office of Public School Construction (OPSC) and were brought about by the Williams legislation. You can look at the six-page Facilities Inspection Tool used for the assessment on the Web site of the OPSC.

To determine the condition of our facilities, our district sent experts from our facilities team to inspect them. They used a survey, called the Facilities Inspection Tool, issued by the Office of Public School Construction. Based on that survey, we've answered the questions you see on this report. Please note that the information reflects the condition of our buildings as of the date of the report. Since that time, those conditions may have changed.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
<b>English Language Arts/Literacy</b> (grades 3-8 and 11)	48	45	30	31	47	46
<b>Mathematics</b> (grades 3-8 and 11)	30	30	16	19	33	34

## 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

### CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. 2023-24 Opportunities for Parental Involvement

<p>Clearwater Elementary STEAM strives to promote a positive and strong home-school partnership with all stakeholders in order to provide a safe and stimulating academic program. Clearwater STEAM fosters student achievement and success based upon the strong school and community collaboration. Clearwater Elementary continues to encourage and foster parental involvement through many parental involvement opportunities for students, teachers, families, and community opportunities.</p> <p>The Family Involvement Action Team plans program activities for parent involvement. Parents, as members of the Family Involvement Action Team (FIAT), enhance the quality of Clearwater's school climate. FIAT support initiatives such as; Dive into Reading events, Dive Into Math, Family Reading Night, Red Ribbon Week, spirit days, assemblies, teacher/class support, field trips, student rewards, and school-wide incentives. Activities through our Family Involvement Action Team include parent workshops, reading in the classroom with students while acquiring strategies, and sharing tools to support all learners.</p> <p>Family nights for English Language Arts, Math, Science, Homework, AVID Program, Science, Technology, special performances, and volunteer opportunities are held throughout the school year. Parents and community members are included in our programs' planning, implementation, and evaluation through our different parent committees. The School Site Council and English Language Advisory Committee comprise staff and parents, working collaboratively with staff to determine the best way to utilize funds to provide additional materials, programs, and staff development to enhance our academic program. Parents of English learners are vital stakeholders in our English Language Advisory Committee and to our outreach efforts on behalf of new families. Title 1 meetings are held at least twice yearly to collect information and feedback from parents and families. This information is utilized to plan the use of our funds for different programs more effectively to optimize student achievement.</p> <p>The Clearwater community newsletter highlights success, programs, and parent involvement opportunities. Clearwater's school plan is accessible on our site website to keep stakeholders informed of the school program. This is another way for our families and community to be informed and maintain positive involvement. Parents will be notified of district and school program status in English and Spanish through letters of notification. Clearwater's Community and Families have the opportunity to join our School Site Council, which works with the principal to help make school program and financial decisions. Classroom parents organize parent volunteers to help with special projects in the classroom, parent committees, workshops, and chaperones on field trips. We encourage all families to attend Back-to-School Night in the fall and Open House in the spring. Our various family nights throughout the year; STEAM Night, Science, Math, and Reading Night, engage families in relevant content activities. Coffee with the Principal sessions serve as an opportunity to maintain parents and the community of school program highlights, successes, and school program updates. We urge parents to contact the office for information on how to get involved in these activities or visit our school website for information. Our school shares messages through Parent Square for events schoolwide.</p> <p>Clearwater Elementary's goal is to promote strong home-school partnerships to provide a safe and stimulating academic program where students thrive through educational excellence. Parent involvement is a vital component of school and student success. Clearwater Elementary School offers a wide variety of opportunities for parents to support the school and their child's academic efforts through volunteering or attending school events.</p> <p>Clearwater is always looking for volunteers. ## 2023-24 School Safety Plan

Clearwater Elementary School is a model facility, reflecting that our highest priority is the safety and welfare of our students. Clearwater provides a safe, clean environment for learning through proper facilities maintenance and campus supervision. All site staff, administrators, teachers, and supervision aides monitor the school campus to ensure a safe learning environment for our students. The campus is a closed campus, with access through the front office reception area; all guests, visitors, and vendors are required to check-in in at the front office, where they are logged in through the Raptor System before gaining authorized access to the campus.

Our school has an Emergency and Disaster Preparedness Plan that aligns with the NIMS Emergency System. The plan specifies procedures for dealing with fire, flood, earthquakes, lock downs, hazardous materials, disaster recovery organization, and student accountability, following a disaster. Clearwater reviews and updates the comprehensive school safety plan every year in early winter. In addition, we have state-of-the-art intrusion and fire alarm systems and we routinely conduct a variety of safety drills, to ensure that our students and staff are well prepared to respond in the event of an emergency. In the event of a true emergency, our site utilizes the district's communication system (Parent Square) to notify parents.

Video surveillance cameras across our campus are a deterrent to trespassers, vandalism, and other illegal activities. These also help administrators and local law enforcement with the investigation of any crimes that occur on campus after school hours, making our school safer and more secure.

## Fiscal Year 2022-23 Types of Services Funded

A variety of programs and services are available at Clearwater Elementary STEAM to support and assist the academic progress of students. Our students receive assistance from programs and services that are available during the instructional day as well as outside the instructional day.

Core offerings included at Clearwater Elementary are the following:

\* AVID Elementary: Clearwater is a school-wide Kindergarten through 6th-grade AVID Elementary. AVID provides systems and structures to help prepare students for success in elementary, middle school, high school, and beyond. Students learn note-taking skills, WICOR instructional strategies, and other success building skills for their future learning career. Throughout the year, Clearwater offers AVID informational meetings and workshops for families to become aware and support their children with the skills students learn and need at school.

\*Universal Access: The instructional day consisted of Universal Access time. Students are in leveled groups pre teaching or reteaching grade level standards in English Language Arts or Math.

\* Targeted Intervention: The instructional day consists of Targeted Intervention instructional time. Students learn in leveled re-engagement instruction that is targeted to specific English Language Arts or Math standards. During Intervention time, teachers work with small groups of students on targeted prerequisite skills as determined by student needs, as identified through data analysis, and teacher recommendation.

## Fiscal Year 2022-23 Types of Services Funded

\* **Bilingual Instructional Aide Support:** Bilingual Instructional Aides support students in the classroom. The aides support English Learner students, with the highest need, and as identified through our school plan. The goal is to provide support to our English Learner students throughout the day and across all content areas.

\* **Academic Coach:** The Academic Coach is a certificated teacher who plans lessons, collaborative coaching, and training to support classroom teachers. The Academic Coach provides Professional Development to teachers throughout the year and provides additional assistance as informed by assessment data.

\* **After-school Tutoring:** After-school tutoring is offered in the areas of Language Arts, Math, and Computer skills. Clearwater After-School Tutoring is an academic program focusing on the rigor of California Academic Anchor Standards for College and Career Readiness with a particular concentration on reading, writing, and math.

\* **After-school Enrichment:** Clearwater offers a variety of after-school Enrichment opportunities in STEAM-related areas such as Technology (3D Printing, School News Program), Science/Engineering (Science Olympiad, GATE Academy), Art, and physical education.

\* **STEAM Enrichment Opportunities/Instructional Day:** Clearwater's STEAM enrichment program offers students the opportunity to build strong academic performance. Sessions encourage students to analyze, create, and use higher-level thinking skills. Students engage in 21st Century learning (4C's) critical thinking, collaboration, communication, and creativity. Enrichment sessions are held throughout the school year and facilitated by Clearwater staff.

\* **STEAM Saturday Academy:** Program focuses on California Academic Standards using science, technology, engineering, art, and math through a real-world application as a tool for learning.

\* **School Counselor:** Clearwater Elementary has a full-time on-site counselor to support students with academic, character, leadership, and social and emotional needs. The counselor providing students with counseling services for a range of scenarios. Throughout the year, the counselor visits all classroom and delivers instruction from the Second Step curriculum. Through this activity, our students gain instruction and practice skills that assist them in developing positive social skills such as empathy, making friends and working together. The counselor is also available for small group and individual instruction as identified and referred by a teacher, administration, or a family.

\* **TIP After School Program:** TIP services are offered to academically high need students. TIP After School Program offers additional intervention to meet ELA or Math standards. Selection is based on academic needs and a parent application process.

\* **Think Together After School Program:** Think Together After School program is held Monday through Friday. Students who attend the Think Together after-school program engage in homework assistance and enrichment opportunities. Our Think Together program is a free expanded learning program provided after school on-site. Think Together services students in grade K through sixth grade. Think Together program takes place from the dismissal of school through 6:00 pm each day that school is in session.

All of the programs at Clearwater Elementary were developed to provide differentiated instruction to enrich, supplement and/or reinforce mastery of California Academic Standards while providing real-world connections with relevance.

## Professional Development

There are two districtwide professional development days scheduled within the Perris Elementary School District Certificated Calendar to allow for professional development on district instructional initiatives. Additionally, early release Tuesdays allow time for professional development and collaboration during the contractual day. In order to support new teachers, 5 additional days of professional development are included in their first year of teaching in our district. Teachers who are new to the profession are also required to participate in Teacher Induction where they receive support from a mentor teacher. The site's Academic Coach and Grade level leads also provide professional development, support, and coaching to new teachers.

Using statewide and district data, the Clearwater MTSS Academic Team/ MTSS Student Supports (PBIS/SEL) analyzed the areas of strengths and the area of need at the school level and grade level. Instructional support tools and an implementation plan is developed by the team. In recent years, Clearwater implemented a plan to increase teachers' capacity and cause learning in relation to the California Academic Standards. Professional Development on the integration of technology, PBL, STEAM, Social Emotional Learning, AVID, Writing, Reading, Conceptual Math, 21st Century Skills, additional instructional techniques to increase student collaboration, communication, and critical thinking continues to be at the core of the instructional action plan. Teachers engage each year in professional development to improve their teaching skills and to extend their knowledge of the subjects they teach. Site administration conducts a needs assessment of teachers' professional development needs. Current data analysis has demonstrated a need to provide professional development in the area of Mathematic Instruction.

This table displays the number of school days dedicated to staff development and continuous improvement.
